GOTCHA: Memory management

```
public partial class MyView : UIView
```

```
{
```

```
    UIViewController parent;
```

```
    public MyView (UIViewController parent)
```

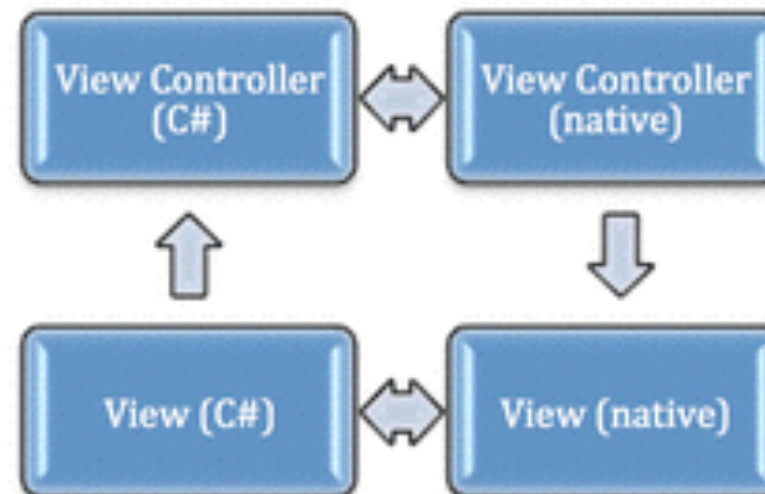

```
    {
```

```
        this.parent = parent;
```

```
    }
```

```
}
```

this.parent = parent

View.AddSubview()

```
CustomButton.TouchUpInside += (sender, e) => {  
    logButtonClick();  
};
```

```
CustomButton.TouchUpInside += (sender, e) => {  
    logButtonClick();  
};
```

```
public override void ViewWillAppear (bool animated)
```

```
{
```

```
    base.ViewWillAppear (animated);
```

```
    CustomButton.TouchUpInside += handler;
```

```
}
```

```
public override void ViewWillDisappear (bool animated)
```

```
{
```

```
    CustomButton.TouchUpInside -= handler;
```

```
    base.ViewWillDisappear (animated);
```

```
}
```

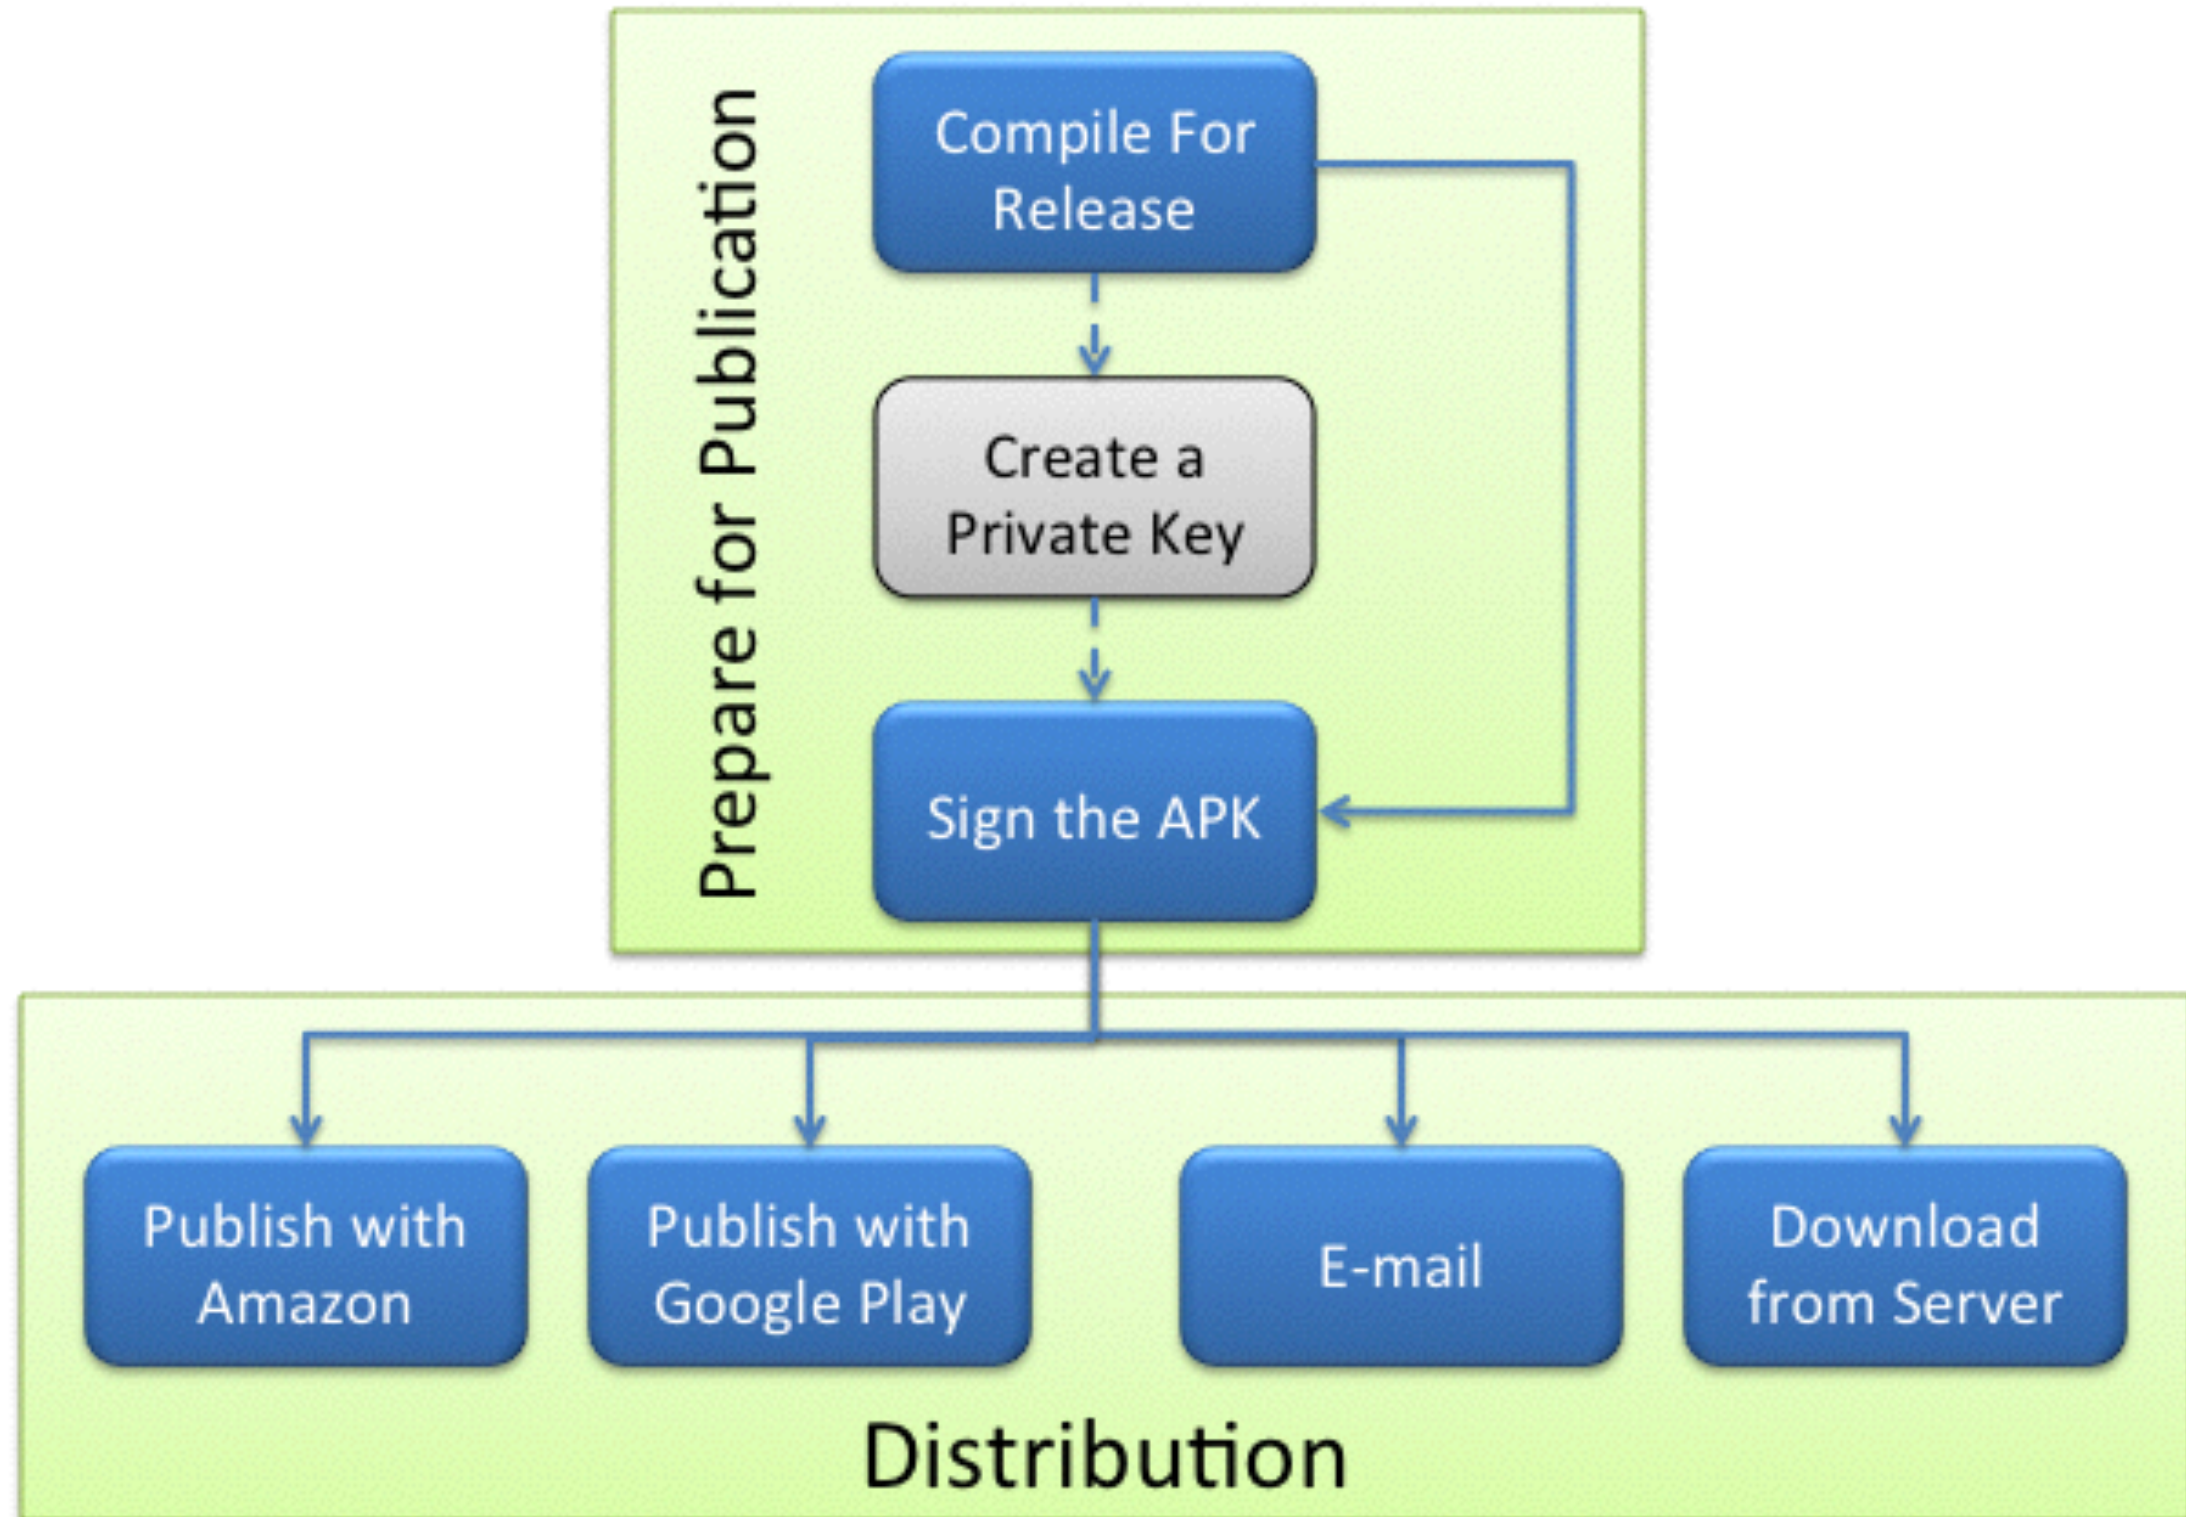

```
void handler (object sender, EventArgs e)
```

```
{
```

```
    logButtonClick();
```

```
}
```

GOTCHA:
Signing

Create New Certificate

Create a new signing certificate for Android applications

Alias	<input type="text" value="chimp"/>		
Password	<input type="password" value="••••••••"/>	Confirm	<input type="password" value="••••••••"/>
Validity (years)	<input type="text" value="30"/> <input type="button" value="▲"/> <input type="button" value="▼"/>		

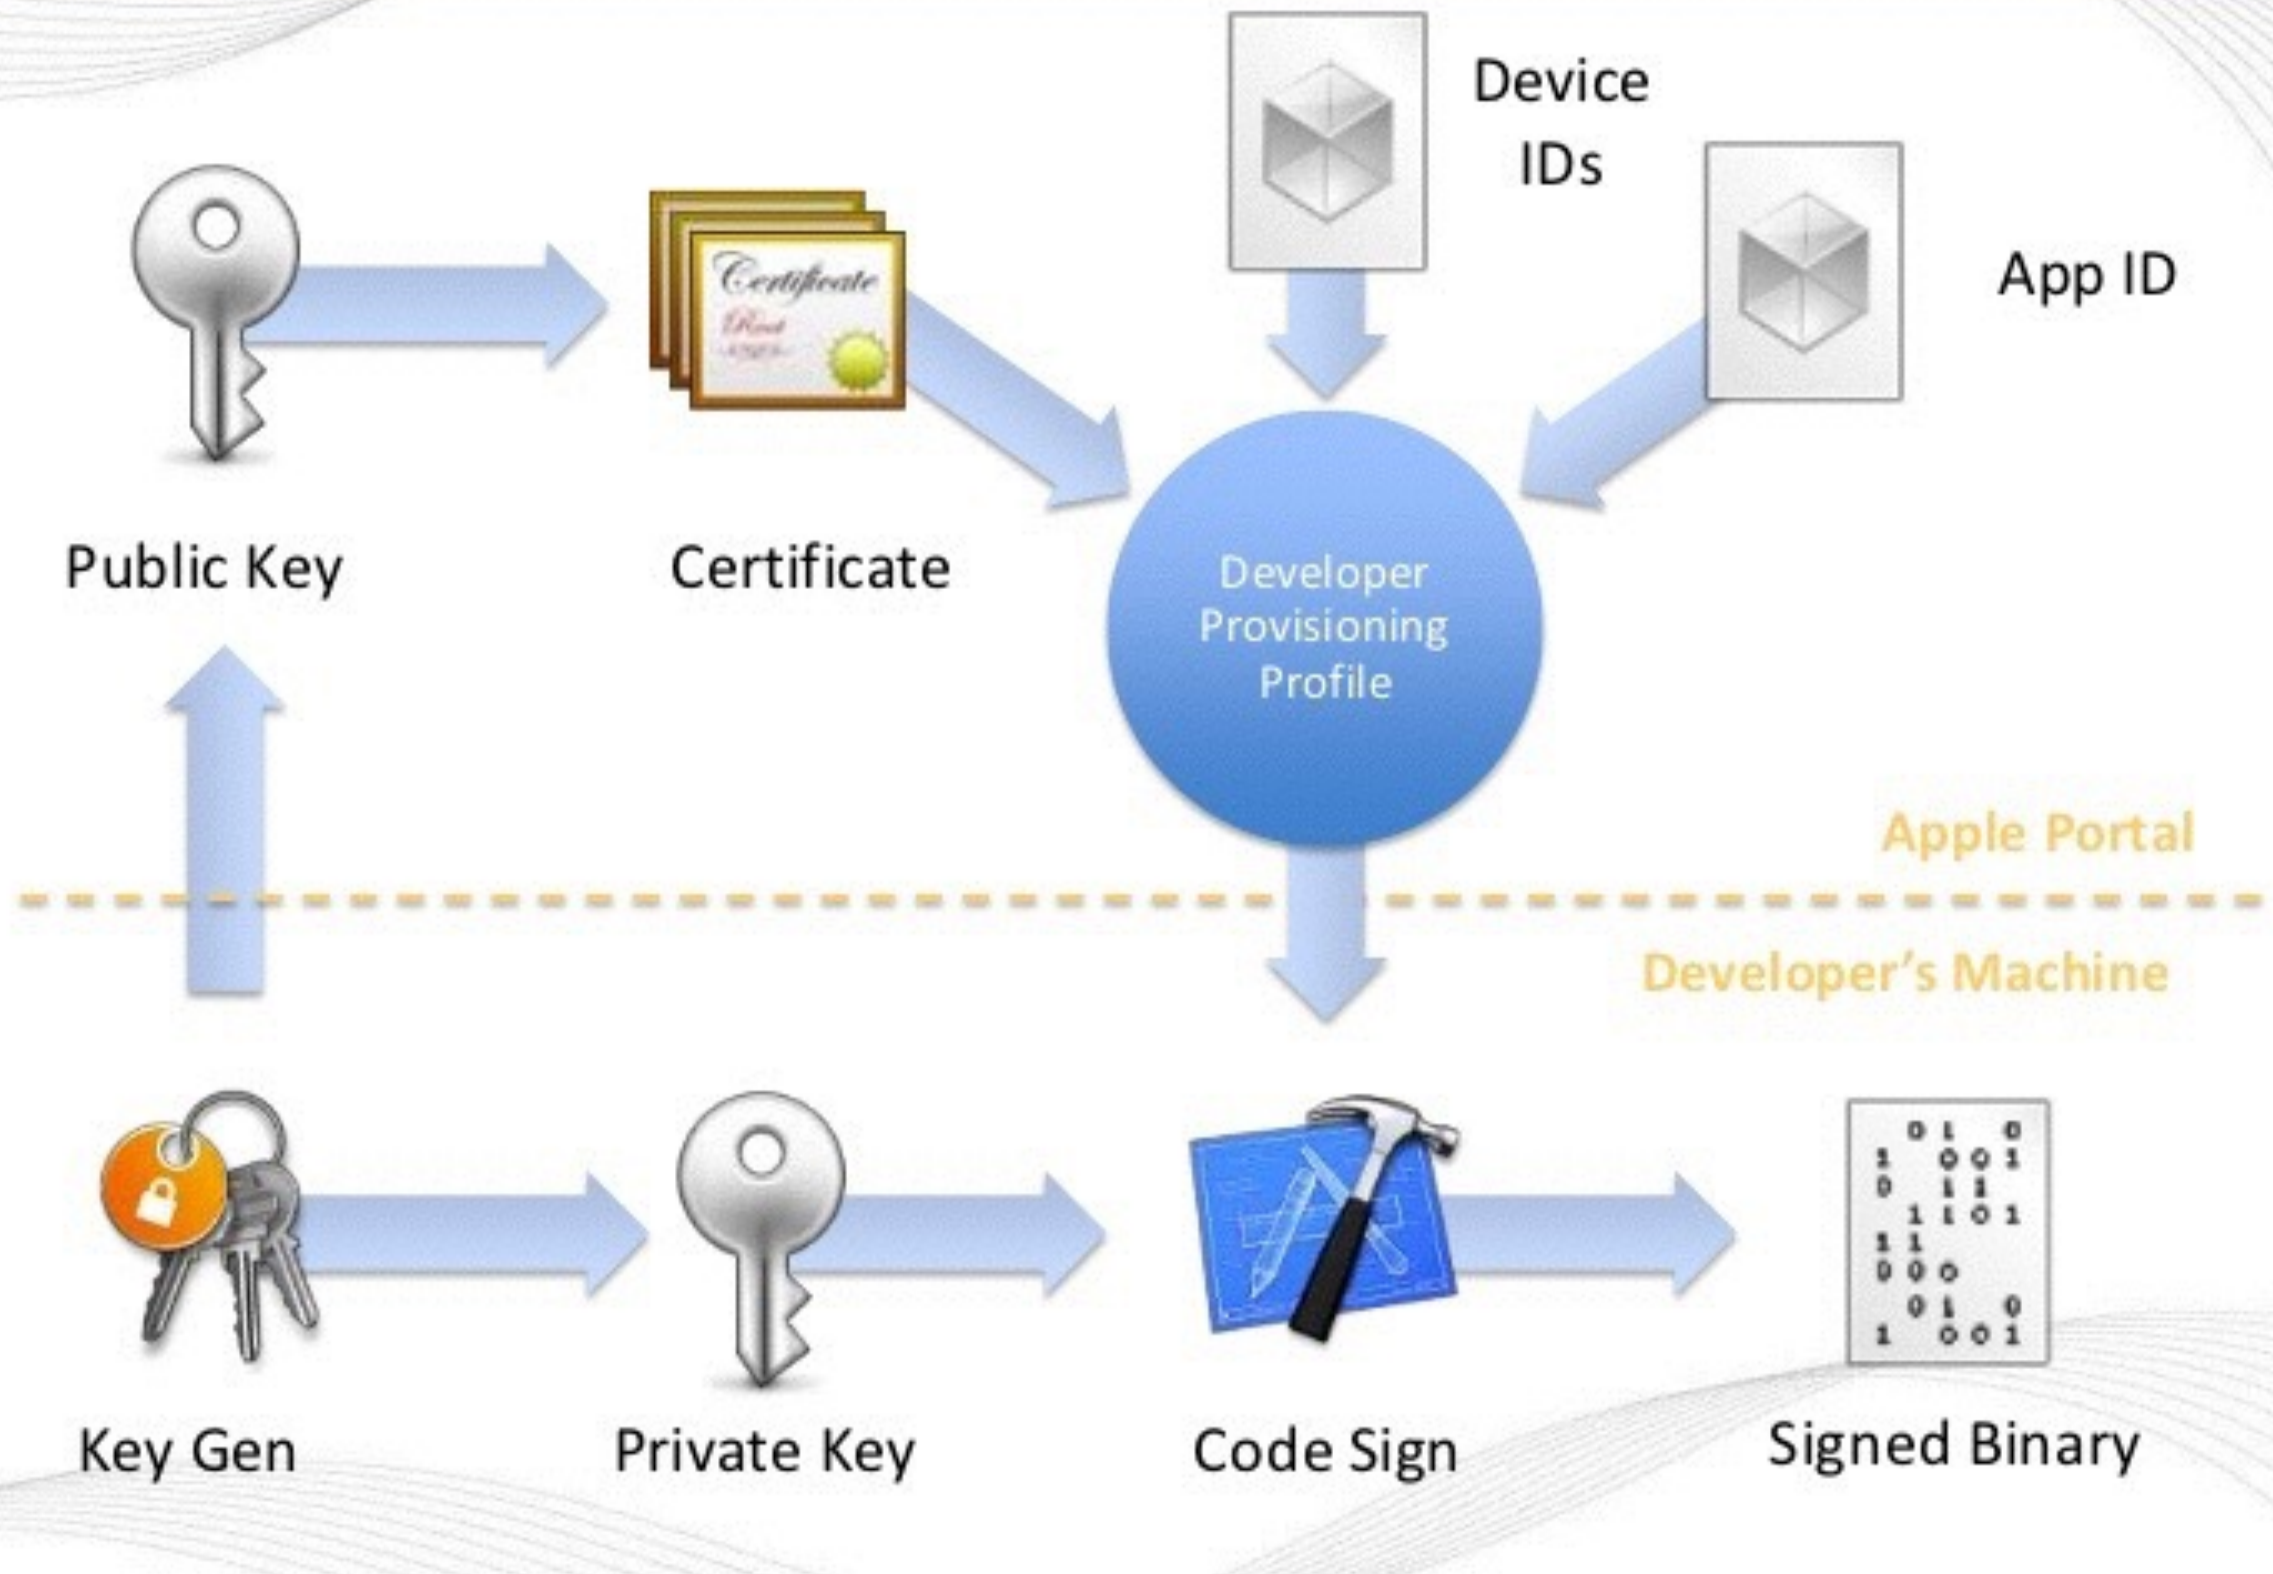

Enter at least one of the following

First and Last Name	<input type="text" value="Ham Chimpanzee"/>		
Organisational Unit	<input type="text" value="NASA"/>		
Organisation	<input type="text" value="NASA"/>		
City or Locality	<input type="text" value="Cape Canaveral"/>		
State or Province	<input type="text" value="Florida"/>		
Country	<input type="text" value="US"/>	(2 character country code)
